PTMT-60 Pet-mat™

Warp's Pet-mat is the result of many years of "ribbed" liner technology. We have an 85 year history of product development, manufacturing and marketing of useful items for your home, garden and now to help keep your pet's area tidy. This product is made of 100% non toxic, domestically produced Polyethylene, that is recyclable under the Plastic Recycling code # 4.

Suggested Retail: \$9.95 ea.
